I appreciate the way the organising committee started working very early. During the venue visit also, I found that the venue HICC is very good and spacious.

The Trio of Organising Chairperson Dr. P. Kishan, Organising Secretary Dr. M. Umashankar and Treasurer Dr. George Reddy V. will take tremendous efforts to make this conference very successful.

I request all the IPS members to attend it in large numbers to enjoy the hospitality as well as academic sessions in this conference. I wish the conference Grand-Grand Success.

# **IPS SECRETARY'S MESSAGE**

**Dear esteemed members,**

The Indian Psychiatric Society is thrilled to announce the upcoming **Annual National Conference of the Indian Psychiatric Society (ANCIPS 2025)**, set to unfold in the historic and dynamic city of Hyderabad. This year, our conference is centred around theme "**Neurobiology of Illness to Wellness**", reflecting our deep dive into the transformative journey from understanding the root causes of mental health conditions to embracing holistic well-being.

Hyderabad, affectionately known as the City of Pearls, is a melting pot of cultures, history, and technological advancement. The city's landmarks, from the iconic Charminar to the serene Hussain Sagar Lake, alongside its bustling markets and delectable cuisine, promise a rich mosaics of experiences for our attendees beyond the conference agenda.

The Organising Committee, with the visionary leadership of Dr. P. Kishan and Dr. M. Umashankar, has been exemplary in their dedication to assembling a program that not only covers the vast spectrum of psychiatric knowledge but also focuses on the cutting-edge neurobiological advancements that pave the way from illness to wellness.

ANCIPS 2025 is more than just a conference; it's an opportunity to expand your knowledge, network with peers, and explore the beauty and diversity of Hyderabad. We encourage all members and participants to take advantage of this platform for professional growth and personal enrichment.

Prepare to be part of an unforgettable gathering that celebrates the advancements in psychiatry and mental health. We look forward to welcoming you to Hyderabad for an exceptional experience at ANCIPS 2025.

**Join us as we shape the future of psychiatry together!**

# INVITATION BY ORGANIZING COMMITTEE

**Esteemed Senior Members,**

Dear Friends, Colleagues, Fraternity Members & Students

**Welcome to Hyderabad, the city of pearls, major center for the technology industry and city of amalgamation of history, culture, and modernization!**

We are proud and privileged to win an opportunity to host you in Hyderabad. Please accept our heartfelt invitation to join us from **22<sup>nd</sup> – 25<sup>th</sup> January** during 76th Annual National Conference of Indian Psychiatric Society 2025, Hyderabad. The theme of the conference is **“Neurobiology of Illness to Wellness”**. The conference is organized in association with **IPS Telangana State Branch and Institute of Mental Health, Hyderabad Alumni Association**.

The logo of the conference represents the true nature of Telangana. **The A represents flower arrangements of the floral festival of Telangana “Batukamma” to welcome you, N represents Banjara Art** an embroidery that uses mirrors, cowrie shells, Ghungruos (bells), Titri (coins) stitched on to the fabric directly, with no use of adhesive. **C represents Bidri Work**, the pride of Bidar, near Hyderabad, an indigenous handicraft tradition practiced on zinc and copper, and inlaid with pure silver or thin sheets, it is a delicate art and remarkably intricate. It is an illustration of **Telangana Courtesy to IPS fraternity, P represents Dokra Art** also known as bell metal craft, a tribal metal craft widely seen in Jainoor Mandal, Adilabad District of Telangana. **S represents Pochampally sari or Pochampalli ikat**, a saree made in Bhoodan Pochampally, Yadadri Bhuvanagiri district, Telangana State, India. They have traditional geometric patterns in “Paagadu Bandhu” (Ikat) style of dyeing. The intricate geometric designs find their way into sarees and dress materials.

Until the 19<sup>th</sup> century, Hyderabad was known for the pearl industry and was nicknamed the **“City of Pearls”** and was the only trading center for Golconda diamonds in the world. Many of the city’s historical and traditional bazaars remain open. Hyderabad’s central location between the Deccan Plateau and the Western Ghats, and industrialization throughout the 20th century attracted major Indian research, manufacturing, educational and financial institutions.

Since the 1990s, the city has emerged as an Indian hub of pharmaceuticals and biotechnology and information technology. The city was originally called Bhagyanagar (“City of Gardens”) and later acquired the name Hyderabad. Hyderabad is twinned with neighboring Secunderabad, to which it is connected by Hussain Sagar. Hyderabad is listed by UNESCO as a creative city of gastronomy. Hyderabad biryani and Hyderabad haleem, with their blend of Mughlai and Arab cuisines carry the national Geographical Indications tag. Hyderabad cuisine is influenced to some extent by French but more by Arabic, Turkish, Iranian, and native Telugu and Marathwada cuisines.

Hyderabad airport (RGIA) is one of the best airports in India having hassle free connectivity with rest of the world. It is one of the most convenient airports to fly from and into.

The venue of the conference is Hyderabad International Convention Centre (HICC) which has state-of-the-art infrastructure and facilities to hold mega conferences. It is India’s first purpose-built, state-of-the-art, service-driven convention facility managed by Accor, the world’s leading hospitality and tourism management group. In every aspect, be it infrastructure, services, or technology, it compares with the best in the world.

HICC is connected to Novotel Hyderabad Convention Centre: an international business hotel is equipped with meeting rooms, restaurants, a business center, spa, and a health club. It is also the Best South India Travel Awards winner admired for its outstanding service.

Hyderabad is a complete package for you having all the qualities of a good host city. **ANCIPS 2025 will be a scientific and gastronomical feast with social and cultural extravaganza. Once again, we extend a heartfelt invitation to you and your family.**

**We look forward to welcoming you!**
